

Route for using an elevator

If you are traveling from the direction of Sapporo Station, the elevator is in front of the fourth car.

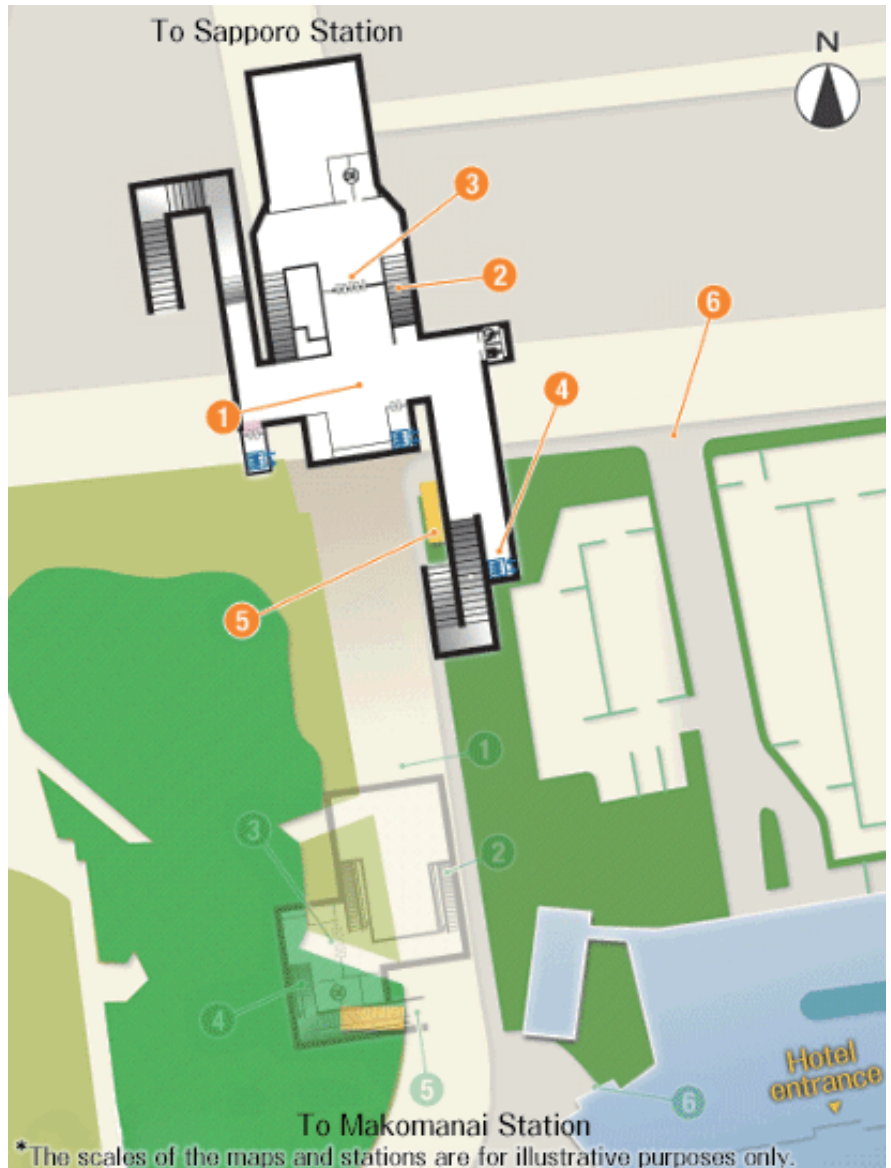

The elevator will take you to the ticket gate level.

Go through the ticket gate and proceed to the right (Exit 1).

At the end of the passage, there is an elevator to ground level on the far right.

When you get to ground level, proceed to the front entrance on the right.

After a short walk, you will see the entrance of Sapporo Park Hotel on the right.
